

LINEN RENTAL GUIDLINES

The customer is responsible for damaged or missing items.

Damage includes misuse, rips, mildew, cigarette burns, candle wax, or stains that cannot be removed.

Shake out all food crumbs, flowers, greets etc. as they tend to leave stains.

All linens must be removed from all of the tables after your event and placed back into linen bags.

Make sure all linens are dry before placing them into linen bags. Wet linens will mildew in closed bags.

Clips are provided withal table skirts. The clips may or may not fit the tables being used. If the clips do not work, pins or double sided tape can be used to secure the skirts. All clips, pins and tape must be removed from skirting by the customer.

All linens will be inspected upon return or pick up. We will notify customers if there are any missing linens and any potential damaged linens. Once the items are cleaned, the customer will be notified of the cost of the damaged or missing items.
